Postponement

The current weather situation is unchanged.

This means that the postponement of the racing stands. All boats on the inshore course and the remaining boats on the offshore course except Palby Marine, Polised Manx and Relax are now moored in the Culture Harbour of Helsingør.

Race Management is continuously monitoring the development in the different wind forecasts as forecasts change.

Next update on the situation will be 18:00 AUG 7 at the latest.

Thanks for the collaboration to all participants and to the Harbour of Helsingør!
